

AZHAR MANIE

PROFILE

While attending Capsicum Culinary Studio, I learned and practiced a variety of cooking skills and techniques, as well as how to properly prepare specific foods. During my time at Capsicum, I completed both the hot kitchen and pastry/bakery courses, so I'm open to new opportunities. I know how to keep my composure under pressure, I work well in groups and can take charge when necessary. Additionally, I have had customer service training and know how to properly address the customer. I would like to branch out from the culinary scene and gain new experiences.
